The new Foam-it 25 gallon portable foamer offers innovative new features and ergonomics for industrial and institutional foam cleaning. This unit will allow the operator to clean faster and more efficiently in any foaming situation. In the event that this unit does not meet a specific application, our innovative team is dedicated to building custom equipment solutions for our customers.

DEMA[®]

**Horizontal Throw with FloJet Pump
(35 ft or 11 M)**

**Vertical Throw with FloJet Pump
(25 ft or 8 M)**

The 25 gallon foamers come standard with a FloJet pump. This AAOD pump includes standard Santoprene seals (also available in Viton), 7gpm (26.5 Lpm), and a one year warranty. We also have this unit available with a Versamatic 3/8 inch pump if you prefer.
